## BESPOKE DIARIES

Be it a celebration, a gift or just an indulgence, we have something exclusive for everyone and every occasion...

**a) Blueberry Laddoo:** The inspiration for this came from a bride who believed in healthy eating and just could not stop munching on granola. So for her special day, we decided to create a sugar-free, healthy wedding giveaway made with organic dried blueberries, chia and melon seeds.

**b) Rose Petal Ladoos:** Inspired by Sunita Shekhawat's 'Padampriya' collection, the Rose Petal Laddoo and Thandai Pistachio Laddoo were specially created for the launch of the collection. The exotic sweets were created using delicate flavors of rose petals, cardamom, thandai and pistachio, originating from the Royal Kitchens of Rajasthan.

**c) Easter Eggs:** Taking inspiration from the Easter season, our chefs created mithai that looked like Easter eggs for Indian Embassy to create a special giveaway as a token of friendship to the Italian Embassy in March 2016.
